Limited Tender Notice

Tenders in **open tender single bid system** are invited from Firms/Motor repairers who have previous experience in Repair of more than 50 HP Heavy duty 3 phase, AC Motors.

Description of Work:

Repairing of One No. of 298 HP 3 Phase AC Motor (Siemens make) of 20cuM Rope Shovel.

Scope of work & Notes:

1. The defective motor is available for physical inspection for ascertaining scope of work including parts and labour before submission of the quotation. Firm has to depute their competent representative for technical evaluation and finalization of scope of work to our erection office before preparation / submission of quote.
2. The quotation should clearly indicate the parts cost with detailed price breakup and labour cost.
3. Supply of 298HP AC motor rotor shaft (Material: As per sample original broken shaft. Material certificate to be provided).
4. The shaft is to be machined as per the original broken shaft in all respects. Grinding finish is to be obtained on the bearing seating locations.
5. The shaft is to be assembled on to the existing rotor along with all elements.
6. Both the end bearings along with seals are to be replaced. Bearing No. as per our manual is NU2222E, NU220 & 6220. However it is the supplier' responsibility to confirm the bearing nos. upon dismantling. The bearings are to be of SKF/FAG/TIMKEN make only. The motor bearing housing insulation & its seals to be inspected and replaced accordingly.
7. The rotor and Stator have to be thoroughly cleaned, inspected and varnished for improvement of insulation.
8. Application of thinner, varnish, tapes, glass sheet, etc., will be the firm's scope.

9. Insulation required is class H.
10. Complete assembly of grounding brush and its holder to be checked and replaced.
11. Fixing up of motor junction box with suitable neoprene to avoid water entry into the stator & rotor body of the motor.
12. The lubrication line for the end bearings has to be checked and any rectification required is to be carried out. Pre-lubrication of motor bearings with Gadus S3 V220C2 grease of M/s Shell Company is in firm's scope.
13. Complete assembling & Testing of the motor (surge comparison for interturn test, megger, resistance, etc.,) has to be carried out in the presence of BEML representatives.
- 14. Fitment of drive pinion and brake hub on shaft is in the firms scope where as pinion, brake hub and respective keys will be collected from BEML representatives.**
15. Transportation of the repaired/failed motor is in the firm's scope.
16. Clearly indicate applicable taxes and duties.
17. Repaired motor will be under repair warranty in all respects for 12 months from the date of fitment on the shovel/equipment or 5000 working hours whichever is earlier.
18. Collection and delivery of item is the responsibility of the firm.
19. Delivery: Within 45 days from the date of collection of motor/receipt of work order.
20. Payment: 90% payment within 21days from the date of delivery and acceptance of the repaired motor and balance 10% after warranty period.

Last date & time for on line submission: **30.12.2019 at 14.00 HRS. for online submission of tender documents.**

The repaired Motor shall give a service life of 5000 working hours on the Machine or one year after delivery whichever is earlier. Any repair of the Motor for shaft failure during Guarantee period shall be carried out at free of cost.

If the contractor/Firm fails to remedy the defects, BEML is entitled to remedy the defect or damage or order the remedies through third parties on contractors account at actual cost for such work. This shall, however not relieve contractor of his obligations regarding guarantee.

6.2.2 Delivery schedule and Penalty:

The job shall be completed within 45 days from the date of receipt of work order or date of receipt of Motor.

For every week of delay, over and above the allowed as in above, a penalty of 0.5% per week of the order value shall be levied, subject to a maximum of 5% of the value of the repair cost.

6.2.3 PAYMENT TERMS AND CONDITION:

i) 90% of order value after adjusting the EMD amount, subject to acceptance certificate issued by Project-in-charge (BEML) for having completed the repair work. Specifying all details such as time period specs etc.,

ii) 10% payment after completion of guarantee period of 5000 working hours or one year whichever is earlier.

Payment will be processed only after returning of failed rotor shaft and bearings to M/s BEML LTD.

6.3 GENERAL TERMS

6.3.1 On receipt of the contract/work order, the contractor shall register as per WORKS CONTRACT ACT or any other prevailing rules in that state, with the concerned state government to comply with the labour laws and rules, mobilize required man power (Supervisory and Non – Supervisory) and other infrastructure as required.

6.3.2 The contractor shall carry out repair job of the Motors strictly adhering to STANDARDS and also as per the advice from time to time by Project in-charge (BEML). Ensure full co-operation for testing of Motors.

Removed broken shaft and old bearings are to be returned to BEML. Failing to return of these old shaft and bearings may leads not to process the firm's bill. During the warranty failures also firm should provide the transportation and men & tools for fitment of repaired motor on equipment under warranty.

Return to BEML in safe condition, the repaired Motor, all documents like drawings, specifications and any unused old materials (if any) issued by BEML after the repair work/ contract period or as and when demanded.

6.3.3 CONFIDENTIAL CLAUSE.

The contractor shall use all technical information, drawings and other advices / information provided by BEML only for execution of this contract. The contractor shall not pass on any data, material or information or drawings to other agency or use for any other purpose.

6.3.4 WAGES FOR WORKMEN AND WORKMEN COMPENSATION

(a) WAGES FOR WORKMEN.

It will be the obligation of the contractor to pay reasonable wages to the workmen employed by them. However, such wages shall not be less than the wages payable under the Minimum Wages Act, 1948 or the wages notified by the respective State/central Governments who are the concerned authorities for notifying the minimum wages payable to the workmen possessing different skills and who are engaged in executing the contract .The contractor shall also be bound by the statutory provisions of the Contract Labour Regulation and Abolition Act, Apprentices Act, PSU Act, PF ACT etc., concerning the employment of the Labour by the contractor. All the obligations under the different Act provisions shall be that of the contractor and the contractor shall indemnify BEML against any or all claims in this regard. The contractor shall also furnish the documentary evidence regarding the wages paid, correctness of the wages

paid, PF and ESI payment in respect of the labour engaged for the purpose of executing the contract.

These reports shall be submitted to the Project-in-Charge (BEML). It shall also be the responsibility of the contractor to obtain statutory approvals as may be required in this behalf and BEML will in no way responsible for this action and BEML will be discharged of and indemnified against all such responsibilities.

(b) WORKMEN COMPENSATION

It is also agreed that BEML shall not be liable for any compensation to be payable in respect of any workmen employed by the contractor and it shall be the sole responsibility of the contractor for payment of compensation if any, arising during the course of execution of the contract. For this purpose, the contractor shall indemnify BEML during the currency of the contract against all such claims made by any person(s) employed by the contractor in execution of the contract. BEML shall not be responsible for providing employment to contractor's labourers and or payment of any retrenchment benefits, and it shall be the duty and responsibility of the contractor to pay all terminal benefits at the time of completion of contract and shall produce satisfactory proof for having paid so, before the final bill is settled.

6.3.5 SUSPENSION OF WORK

The contractor shall on written order of the Project-in-charge (BEML), suspend the progress of the works or any part thereof for such time or times and in such manner as the Project-in-Charge (BEML) may consider necessary and shall during such suspension properly protect and secure the work, so far as is necessary in his opinion.

6.3.6 DELAYS IN THE CONTRACTORS PERFORMANCE

The TIME SCHEDULE for REPAIR of the two Motors as stipulated in this contract Clause Number and amendment thereof shall be the ESSENCE OF THE CONTRACT.

Except as provided under force majeure clause a delay by the contractor in the performance of its delivery obligations shall render the contractor liable to the imposition of penalty as per the clause No 6.2.2.

6.3.7 ASSIGNMENT SUB-LETTING AND SUB-CONTRACTING

The contractor shall not assign the contract either wholly or part thereof or any benefit or interest therein or there under without the prior written approval of BEML.

The contractor shall not sublet the whole part of the contract. However, where otherwise provided in the contract/work order the contractor may sublet a part of the contract with prior approval of BEML. But such an approval if given shall not relieve the contractor of any of the

liabilities and obligations under the contract and he shall be responsible for the acts defaults and neglects of the sub-contractor, his agents or workmen.

6.3.8 INDEMNITY

The contractor shall indemnify BEML at all times against all claims made by the contractors personnel and third parties in respect of any injuries accidents or any other claim in the form of compensation.

7.0 FORCE MAJEURE

The contractor shall not be responsible for any delay in execution of this contract if the delay is caused as a result of Force Majeure.

“Force Majeure” means an event beyond the control of the Contractor, such as Floods, wars or revolutions, epidemics, strikes (caused by other than contractors own employees/ workmen), terrorist attack etc.

7.1 ARBITRATION CLAUSE

If BEML and the contractor are not able to resolve any contract dispute amicably within a reasonable period of time, such disputes shall be referred to a sole Arbitrator to be appointed by BEML and the proceedings before the Arbitrator shall be governed by the provisions of Arbitrations and conciliation Act 1996, in which event the Arbitration proceedings shall be held at Bangalore and the Arbitrator shall be required to give a reasoned award. Courts in Bangalore alone shall have jurisdiction in the matter.

7.2 APPLICABLE LAW

The contract shall be interpreted in accordance with the laws prevailing in India.

7.3 JURISDICTION OF COURTS

The courts in Bangalore only will have jurisdiction.
