Tenders in two-bid system (Technical Bid and Commercial bid in e-mode through BEML SRM platform) are invited from reputed Firms.

Title of Work:

MAINTENANCE AND REPAIR CONTRACT for 03(three) Nos. 295HD ELECTRIC ROPE SHOVELS (20 Cum.) presently working at NCL, Singrauli (2 shovel at Jayant & 1 shovel. at Dudhichua) for a period of 03 (Three) years with effect from the date of issue of contract / W.O.

Availability of Tender Document:

Tender document including terms and conditions of work to be downloaded from the SRM System / BEML website (To be done in coordination with SRM team Bangalore)

Eligibility:

1. Experience:

The Firm (Service providers) having relevant infrastructure / facilities and previous experience in successful running of HEMM MARC in Coal / Cement / Steel sector **and/or** having experience in Repair of Hoist, Crowd, Propel & Swing machineries on Electric Rope shovels/Dragline and also in maintaining such machineries. (Work experience for these jobs done during preceding 5 years from the date of this tender only will be considered.).

2. Workshop facilities:

Firm should have their own workshop facilities or registered agreement with other workshop owners duly notarized for providing workshop facilities for all types of repairs arising during the contract period in and around Singrauli (Please refer Annexure – 1 for eligibility criteria documents to be furnished)

3. Turn over:

Firm should have minimum average Turnover of Rs.65 (Sixty five) lakhs per year for preceding 03(three) years from the date of tender and the relevant documents should be uploaded along with technical bid.

Instruction to Bidders:

- Both Technical Bid and Price bid are to be submitted **separately** through electronic mode only.

Earnest Money Deposit:

Bidders are required to submit an amount of Rs. 50,000/- (Rs. Fifty Thousand only) towards Earnest Money Deposit in the form of Digital transfer in favour of BEML Limited and copy of the same along with Technical Bid.

BEML Ltd., Bank Account details:

Account number : 10773219053
Branch : SBI, MORWA
IFSC Code : SBIN0003767
MICR Code : 486002516

Bidders are required to go through instructions carefully and submit the bid as required.

Clarifications if any may please be obtained from shovel service team / SRM team Bangalore.

- Tender is in two bid system.
- Please note that as per the directives from Ministry of Defence, Class-III Digital Signature with encryption is mandatory for submission of bid on our e-Procurement system.
- Please note that activation of the Digital Signature Token in our system happens after 12.00 midnight from the Start Date of the validity, i.e. the next date after the Start Date of the validity. Hence in case you are getting a new Class-III Digital Signature Token or arranging renewal of the existing Class-III Digital Signature Token, it is strictly advised to get the same activated at least two days before the due-date of the tender.
- In case of any queries on Digital Signature or submission of bid in the system, please contact BEML SRM Team on 080-22963269, 080-22963141 or e-mail to admin.srm@beml.co.in by quoting our bid number.

Receipt & opening of Tenders:

Submission of Technical Bid:

- Please upload signed and scanned copy of all the pages of the technical bid document along with annexure in the Collaboration Folder in the system. Please ensure that no price details are to be mentioned in any of the documents uploaded as part of the Technical Bid. **If price is indicated in the technical bid, bid shall be rejected.**

Submission of Price Bid:

- Commercial Bid: Please quote the price details in 'Item Data' in the system only against the respective items provided therein.
- Technical Bids of the bidders will be opened first on the Technical Bid Opening Date/Time. Price Bids of the technically accepted bidders only will be opened subsequently upon completion of the technical evaluation process.

Other Information's:

The intending bidders should note the following:

- a) Submission of Tender document, after due date and no extension of time is allowed in the system. Bidders shall have to get themselves registered with GST authorities.
- b) BEML Ltd, is not bound to accept the lowest Tender offer and reserves the right to reject any or all Tenders, or to accept wholly or partially any of the Tenders without assigning any reason whatsoever.
- c) In case of two or more firms being the lowest bidder, the firm with the highest average turnover of preceding three years will be considered as L1 bidder.
- d) If the EMD amount (strictly in online mode) as specified is not received before the closing date, bid will be rejected.
- e) **Pre Bid meeting will be held at Regional Office, BEML Ltd., Singrauli, on 08.01.2020@10am, interested firms to attend before submission of bid at Website.**

BEML Ltd, Singrauli - 486889

Tender Document
(Techno-commercial)

TITLE OF WORK:

MAINTENANCE AND REPAIR CONTRACT FOR 03 NOS. 295HD ELECTRIC ROPE SHOVELS (20 Cum.) at NCL, Singrauli (2 shovel at Jayant & 1 shovel. at Dudhichua) for a period of 03 (Three) years with effect from the date of issue of contract / W.O.

TERMS & CONDITIONS:

- 1) **Operators** for 295HD Electric Rope Shovels will be provided by NCL along with POL.
- 2) **Validity of offer:** 180 Days from the date of Tender opening.
- 3) **Contract Period: 03 {Three} years.**
- 4) **Work order** issued for contract period shall be reviewed annually for performance. In case of non compliance clause. 32 will be applicable.
- 5) **Site of operation:** At present in NCL, Jayant Project (02 shovels) and at NCL, Dudhichua project (01 shovel).
- 6) **Earnest Money deposit (EMD): An amount of Rs.50,000/- (Rs. Fifty Thousand only) against EMD to be electronically transferred.**
- 7) **Facilities to be availed by the MARC holder from NCL (Extended to firm).**
 - a) Lubricants.
 - b) Electricity.
 - c) Covered and unfurnished warehouse and space for office.
 - d) Existing workshop facilities at Project including higher capacity crane (70Ton) if required subject to availability. **Crane, Dozer & truck arrangement from NCL is Firm's responsibility.**
 - e) General security arrangement – Security arrangement as available for assets of NCL shall also be extended to the equipments covered against MARC contract.
 - f) BEML or NCL will not take any responsibility for any loss or damage to Firm's property.

- 8) **Utilization of Equipment:** BEML Ltd., thru M/s NCL, expects to utilize each rope shovel annually for 5000 hours. There may be a variation of ± 500 working hours during a year.
- 9) **Spares required for operation** (excluding POL) shall be provided by BEML Ltd. on no cost basis and has to be collected from BEML Ltd. Singrauli Depot periodically. The spares will have to be kept safely with the firm at their own risk & responsibility (proper record & accounting) has to be maintained as per the advice of BEML Ltd. If any items / parts are lost without fitment, the cost of the same will be deducted as per BEML's procurement policy.
- 10) **Sub-letting** of the awarded contract is strictly prohibited. In case of violation, the contract can be terminated with immediate effect.
- 11) **Services to be provided by the Firm:**
- a) Daily checks to be carried as per the recommendation of Operation Maintenance manual.
 - b) Daily, Weekly, Monthly, Semi-annual, Annual & other maintenances as per operation and maintenance Manual. Precise list of exclusions to be mentioned.
 - c) Periodical maintenance of all the systems as per O&M manual and prescribed by BEML from time to time including preventive maintenance or when instructed so.
 - d) Monitoring the working of Shovels on 03(three) shifts basis at project site and maintaining the same so as to achieve a minimum monthly availability of 87%.
 - e) Minor and major repair of assemblies, sub assemblies as and when required in both mechanical & electrical systems.
 - f) Design modification, Precision machining, fabrication jobs and motor repair jobs as identified by M/s BEML Ltd. only shall be excluded.
 - g) Carry out periodic maintenance and repair of the Dipper & Door. The dipper assembly and door is expected to give a life of 5,000 hours before major reconditioning / Repair job is taken up.

- h) Also one float dipper assembly is provided for each Rope Shovel during the contract and this float dipper is to be recycled after approximately every 5,000 hours of operation to extend the life for further 5000hrs. The cost towards major repair / reconditioning of the bucket assembly (inclusive of manpower and consumables) has to be separately quoted (exclusive of taxes) in the Price bid. This excludes the running dipper assembly which is fitted on the Machine.
- i) Up-keep (housekeeping) of the equipment with all necessary cleaning items (cleaning solvents, cloth, cotton waste, floor mop etc.) to be provided by the Firm.
- j) Collection of failed assemblies from the field (removed from the rope shovels) and hand over to BEML Ltd. Stores on monthly basis. **If the removed items are not returned / handed over before end of each month during contract, 10% value of cost of corresponding new item will be deducted from the monthly bill of the Firm. LCV vehicle provision for both, issue of new items from stores and return of failed assemblies from Site is in the scope of the Firm.**
- k) The Firm representative should visit shovels during maintenance time on regular basis (at least twice a week per shovel).
- l) The Firm representative shall meet M/s. BEML representatives at Jayant erection office to have discussion with regards to activities planned for the shovels as per the contractual obligation.
- m) Co-ordination with NCL for Crane, Dozer, Dumper or other facilities or infrastructure required / needed / necessary during the entire contract period is the responsibility of the Firm.
- n) Safe custody & Operation of wireless set issued by NCL is the responsibility of Firm.

12) Availability Provisions:

- a) The Firm shall guarantee that the **monthly availability** of the equipment shall not be less than 87% (Eighty Seven percent) during the contract period of three years.
- b) The Firm shall guarantee that the equipment will be available to perform its duty to minimum criteria and to maintain availability percentage level as detailed above. The method of assessment applied shall be as follows.

Method of assessment:

The following calculation shall determine the availability of the equipment:

$$\% \text{ Availability} = \left\{ \frac{\text{Scheduled Available Time} - \text{Downtime}}{\text{Scheduled Available Time}} \right\} \times 100$$

Scheduled Available Time = 24 hours

The calculation is based on 365/366 working days each year.

- c) The Firm should maintain and submit monthly a logbook equipment wise where in the working hours, breakdown time, maintenance hours, idle time and details of consumables usages including fuels, lubricants etc shall be recorded.
- ❖ Downtime shall mean all hours lost due to mechanical, electrical or other failure including:
- Breakdowns, routine servicing and maintenance in accordance with BEML Ltd. recommendation including changing of oils, filters, lubrication, changing identified consumables or wear parts.
 - Planned preventive maintenance programs.
- ❖ Downtime shall not however include:
- Damage due to abusive use or incorrect operation method by the operator.
 - Accident, blasting, face collapse.
 - Natural disaster.
 - Strike or stoppage of work by the NCL personnel.
 - Design modifications / Alterations carried out by BEML Ltd. to improve reliability.
 - Outsourced jobs carried out by M/s BEML Ltd. on shovels.

It shall however not exclude the time lost due to industrial relations problems of Firm's personnel.

13) **Liquidated damages / Penalty:**

In the event that the Equipment fails to achieve the guaranteed availability as above (clause-12) on monthly basis during the contract period, a penalty of the value indicated hereunder will be levied & the same will be deducted from the monthly payment bill “basic total cost per month excluding taxes and duties” for each equipment’s separately covered under this contract.

a) <u>Monthly % Availability</u>	<u>Penalty</u>
Above 87 %	Nil
Below 87 % up-to 82 % :	2 % of “basic total cost per month excluding taxes and duties” charges for every % drop.
Below 82 % up-to 72 % :	15 % of “basic total cost per month excluding taxes and duties” charges.
Below 72 % :	20 % of “basic total cost per month excluding taxes and duties” charges.

b) Manpower, Vehicle and Tools:

- I) Daily attendance for the manpower deployed equipment wise shall be recorded by BEML site Engineer and any shortage will attract monthly deduction proportionally from the finalised individual category of manpower cost.
- II) Labour cost per day trade wise (supervisor, electrician, welder, fitter & helper) shall be furnished clearly.
- III) Vehicle availability shall be recorded on daily basis and any short coming will attract monthly deduction proportionally from the finalised per day vehicle cost.
- IV) In case of tools, if any is purchased by BEML Ltd. due to failure on the part of the Firm to provide the same, cost incurred will be deducted from Firm’s monthly bills.
- V) In case of BEML Ltd. engaging extra / additional manpower due to delay in completion of assigned maintenance job by the Firm, the labour cost so incurred, shall be deducted from the monthly bill and paid to the outsourced agency against their service bill. If such additional manpower hiring cost

exceeds the monthly charges for that equipment same will be recovered from any other pending bill of the Firm

14) Facilities to be deployed/ provided by the Firm:

- Hand Tools (Spanner set double end & ring / Socket set / T- handle / Ratchet etc.),Lifting slings & tackles, Safety Belts/ropes, Mechanical & Hydraulic Torque wrenches, Hand grinders and Gas cutting set required for the services mentioned in clause - 11.
- Vehicle for transportation of the men, materials, tools & tackles to be provided equipment wise (i.e. three vehicles in this case). **Vehicle should not be more than 3(three) years old. LCV for material movement from R.O stores as and when required is in the Firm's scope as well. Vehicle should meet all safety / DGMS norms as prescribed by the NCL Safety Officer for plying in the mine area were being deployed.**
- Consumables like welding and cutting electrodes, gas for cutting operation.
- Cleaning materials like cloth, cotton waste, thinner, diesel etc. on daily basis.
- Heavy duty Multi-meter, Tong tester and Meggers-5KV & 1KV (insulation tester) with each machine (Fluke make).
- Firm has to arrange accommodation for their person/personnel on their own cost.
- Workshop facilities like Lathe machine, drilling machine (up-to 2" hole), Compressor, Vice , Bench Grinder, Milling machine, Welding machine, hydraulic press, line boring and flame cutting machine to be arranged by Firm catering to jobs like turning, milling, threading, cutting, pressing, drilling etc.
- The acceptance of technical bid will be subject to onsite inspection of the workshop facility (address shall be mentioned in the tender) to be utilized during the contract period by BEML personnel.

15) Man power deployment:

- a) A gang of minimum 18 persons per equipment (Supervisor-3, Electrician-3, Fitter-3, Helper-6 & Welder-3) for round the clock operation with safety items as per Mining rules. Qualification / Trade certificates for each and every personnel to be furnished during execution and deployment. BEML reserves the right to

scrutinize, interview and select the manpower as per trade requirement above. Deployment of manpower of 18 per shovel round the clock shall be purely as per BEML's requirement. Deserving candidates with relevant experience who have worked on our contract shovels even without educational credentials may be considered at the discretion of BEML.

- b) Manpower deployed by the Firm shall be covered under ESI or Group health insurance and to be produced, EPF, Minimum wages act, weekly offs and other statutory labour laws applicable, that comes to force from time to time.
- c) The Firm shall disburse Monthly wages to manpower only through their respective bank accounts and monthly statement of salary disbursement to be furnished to our finance department. Without submission of the same, monthly payment will be withheld. The central minimum wage is subject to revision in the minimum wages notified by the Central Government from time to time.
- d) PF challans and GST challans to be furnished by the Firm on monthly basis to our Finance Dept. (Quarterly scrutiny will be done by Finance Dept. to give clearance for next quarter payment)
- e) The Firm will be solely responsible for providing uniforms, shoes & other safety items to the personnel engaged for working in the mine area as per DGMS & NCL norms.
- f) ID cards and valid VTC's of the personnel deployed in the mines is the responsibility of Firm.
- g) Firm responsibility to ensure that the Electricians should have valid HT License as per DGMS rule only is deployed during the contract period.
- h) Workman compensation act compliance is the total responsibility of the Firm (service provider) throughout the contract period.
- i) Police verification certificate for all the deployed manpower to be furnished by the Firm at the start of the contract and in case of any new entrant during the contract period at the time of deployment.

16) Payment:

Part A: BEML Ltd. will pay “basic total cost per month plus taxes and duties” for the fleet of equipments’. Applicable taxes details to be indicated separately.

CATEGORY	FLEET	Monthly charges per equipment as per scope in Rs.	Monthly charges for three equipment as per scope in Rs.
295HD Rope Shovel	03Nos.		

Part B: BEML Ltd. will pay Lump-sum Bucket Repair / Reconditioning charges and Line Boring & Other machining charges for each Shovel basis for the fleet of equipments on furnishing the **separate bill** after repairs.

Payment shall be released on monthly basis within 21 days from submission of bill along with joint report signed by BEML site Engineer after the availability report signed between M/s BEML Ltd. & M/s NCL. However the same may be considered for payment by BEML in case of delay of availability report not attributed to the firm.

17) Taxes and Duties:

- i. All taxes, duties and levies including GST, works contract tax, income tax or any other tax as applicable to execute this contract shall be paid by the Firm as per existing rules and regulations of Central / State Government requirement.
- ii. Income tax / TDS as applicable shall be deducted from the Firm’s bill at the time of payment.
- iii. Any future upward / downward revision of all applicable taxes will be processed and paid against documentary evidence.

18) Monthly charges per equipment as per scope:

- (i) Monthly charges per equipment as per scope excluding taxes and duties” indicated by the Firm shall be inclusive of all other taxes (excluding GST), duties, levies & charges applicable as per state / central government. at the time of finalization of the contract.
- (ii) Applicable rate & amount is to be quoted for GST “Monthly charges”.
- (iii) The GST shall be payable extra against documentary evidence.
- (iv) The lump sum “basic total cost per month excluding taxes and duties” indicated by the Firm should mandatorily include the followings:-
 - Labour cost per day trade wise for the manpower to be deployed.
 - Vehicle cost per day basis / monthly basis used for transportation of men material and tools.
 - Monthly cost for the Workshop facility and tooling to be utilized during the contract period.

❖ **IMPORTANT NOTE: All the above break up should include Central government minimum wages act for labour & prevailing market rate for other components which is mandatory as per Government rules and regulations as per labor law rates for other items. BEML has these details readily available and any quote by the Firm if found below the Government statutory requirement, BEML reserves the right to reject their commercial bid even though they are technically acceptable.**

- (v) Monthly charges will be firm & final and shall be in force until completion of the contract period.
- (vi) The Firm shall provide all documentary evidence as may be required by BEML for payment of taxes, duties and levies, if any.

19) Any other terms and conditions, stipulated by NCL would be incorporated on a back to back term in the contract.

20) PAN copy along with Income Tax Return preceding three years from date of tender shall be provided by the Firm.

21) The successful Firm shall submit Bank Guarantee on any nationalized bank in favor of BEML Limited for 10% of the annual works contract value **valid till 42 months**

from the date of start of job. Indemnity bond as per BEML prescribed format for the total value of the contract valid for the contract period shall be submitted by the successful firm before commencement of work. Payment will not be released until submission / validity of PBG.

- 22) **Copy of GST registration along with GSTR3B returns for the month of Oct 2019 and self certification for furnishing all previous returns shall be enclosed by the Firm.**
- 23) **Bank statement of the Firm for preceding six months from the date of tender shall be enclosed.**
- 24) Copy of registration Proprietorship, partnership deed, power of attorney, articles of association to be enclosed by the Firm.
- 25) Copy of company registration to be enclosed by the Firm if any.
- 26) Details of infrastructure & other facilities available / to be provided during the contract period shall be clearly indicated by the Firm.
- 27) **Integrity pact has to be submitted along with the bid, Soft copy of the same is enclosed herewith which to be uploaded in technical bid after necessary seal / signature of the Firm.**
- 28) Affidavit in original on non-judicial stamp paper duly authenticated by the notary declaring that none of the relatives of the bidder is employee of BEML Ltd. and no sister concern of the bidder is participating in the same tender to be furnished.
- 29) Bidder should have their own PF code and copy of the same shall to be uploaded.
- 30) **Firm should furnish a declaration that the offer shall remain valid for a minimum period of six months from the date of opening of the tender subject to further extension on mutual agreement basis.**
- 31) Bidder should also submit NIT acceptance and declaration to the effect that no condition has been given in the price bid on letter pad along with list of documents

enclosed with tender documents. If the Bidder gives any conditions in his offer beyond whatsoever has been stipulated in the tender document, the tender would be liable for rejected without making any reference to the Bidder.

32) Termination of Contract :

Non-performance in whole or in part by the Firm of any obligation under this contract due to reasons within his control shall be treated as breach of the contract, entitling BEML Ltd., to terminate the contract and to recover from the Firm the cost of damages incurred by the company for such default by the Firm and due to termination of contract. BEML Ltd., has the right to terminate the contract by giving written notice one month in advance.

33) Tender Evaluation & Arriving at L1 :

- a) After technical evaluation, Evaluation of commercial bids (for those technically accepted bids) will be done after considering total cost i.e. sum of total Annual Monthly Charges [Part A x 12] for each equipment + one Dipper repair / reconditioning charges [Part B.(i)] & one line boring Dipper handle equalizer brackets [Part B.(ii)] excluding GST. This will be done strictly in compliance with minimum wages existing as on date, PF acts & ESI or Group insurance etc.
- b) In case of two or more firms being the lowest bidder, the firm with the highest average turnover of preceding three years will be considered as L1 bidder.

34) Force majeure clause: The awarded contract for 3 years will be deemed short closed in the event of termination of MARC contract between M/s BEML Ltd. and M/s NCL for any reasons what so ever and BEML will not be liable to pay any damages for the termination of contract due to this reason.

35) Arbitration: If BEML Ltd. and Firm are not able to resolve any dispute amicably within a reasonable period of time, such dispute shall be referred to a sole Arbitrator to be appointed by BEML Ltd. and the proceedings before the Arbitrator shall be governed by the provisions of Arbitration and Conciliation Act 1996 in which event the Arbitration proceedings shall be held at Bangalore and the arbitrator shall be required to give reasoned award.
