Item long text:

Scope of work

LABOUR CHARGES FOR RADIOGRAPHY TESTING OF CASTINGS STRUCTURES FOR A PERIOD OF ONE YEAR.

- The price is for professional charges for Radiography testing of castings structures as per applicable codes and standards using Gamma Ray Radioactive Isotope Ir-192.
- Service provider shall be capable of exposing of RT film for maximum sq.inch area per visit. The approximate total area to be Radiographed will be around 2,43,200 sq. inch.
- Testing to be carried out only on request made by Quality Engineering sections. In case request is made by other departments, the same has to be approved by the Chief of Quality Engineering Department. Prior intimation of at least one day in advance will be given to the service providers for extending testing services.
- Radiography exposure shall be carried out during 9 pm - 6 am only. In case of requirement, Service provider has to arrange for testing during Sunday / Holiday also.
- Technician engaged in Radiography testing shall be qualified with ASNT/ISNT level II certification. BEML will not provide any assistance for conducting the testing or for the development and processing of films.
- BEML shall provide a work place for Radiography exposure (field radiography) to the service providers. However, service providers shall bring their own test apparatus and all other consumables like X-Ray films, chemicals for film processing, lead markers, flexible cassettes, safety aids (Dosimeter, TLD badge, Survey meter, Cordon of distance during exposure) and display boards for cordoning off the test area etc.,
- Technician engaged in Radiography testing shall wear safety helmet, Shoes and all other safety aspects related to radiography testing.
- Radiography technician shall expose the films on the jobs, develop the films with their own facility, interpret the results and submit the report on the same day.
- Your quote shall be for a day's visit basis based on the area being tested on the day, which shall be for one man day of 8 Hrs. No separate charges shall be paid for transportation. Your quote shall also include rate per sq.in area exposed. RT charges are paid per visit basis based on the area being tested on the day. However, in
