A. INTRODUCTION

BEML Limited is a leading public sector undertaking under the Ministry of Defence for manufacturing a wide range of mining, earthmoving, railways and Defence Truck & equipment.

BEML has 4 manufacturing divisions in Bangalore, Mysore, KGF and Palakkad with Head Quarters at Bangalore. Currently, the Production divisions are using WAN/LAN for carrying out official transactions.

The objective of this proposal is to solicit competitive offers for providing required bandwidth to establish MPLSVPN connectivity pertaining to Airgap network for all locations of BEML.

B. SCOPE OF THE PROJECT

The scope of this project is the Service providers will be

- Providing required connectivity for all the locations including necessary equipment's such as Modems, Customer Premises Equipment's, Network Terminator etc. with the required bandwidth. The bandwidth charges will be applicable for a period of **One year** from the date of installation and commissioning.
- To configure Modems/Routers and establish connectivity core locations specified in this RFQ.
- BEML has connectivity with multiple Internet Service Providers(ISP)
- The Service provider (SP) should establish the technology to provide HUB to SPOKE and SPOKE to SPOKE connectivity amongst all the locations of BEML with Hub & Spoke connectivity.

C. Existing Infrastructure at Corporate Office and Manufacturing Locations

At present there is WAN connectivity in the form of primary link between manufacturing locations and Corporate Office. The WAN/VPN connectivity is terminated at a central location in each of the above manufacturing complexes. From this central location, each division is connected through fiber optic cable/UTP cable based Local Area Network.

D. Bandwidth Requirements

It is proposed to implement a high-speed redundant connectivity link from the data center to Unity buildings, Bangalore Complex, Mysore Complex, KGF Complex and Palakkad Complex through service providers. The technology for WAN is MPLS Virtual Private Network.

Sl No.	Location	Bandwidth required
1	BEML,Unity Buildings	20 MBPS
2	BEML, Bangalore Complex	20 MBPS
3	BEML, Mysore Complex	20 MBPS
4	BEML, KGF Complex	20 MBPS
5	BEML, Palakkad Complex	20 MBPS
6	BEML Soudha, Bangalore	50 MBPS
Total Bandwidth Required		150 MBPS

Total Bandwidth required at all above locations: 150 MBPS

E. CONNECTIVITY SPECIFICATIONS & REQUIREMENTS

- a. The speed mentioned in the bandwidth requirements is CIR (Committed Information Rate) therefore, the service provider should ensure committed bandwidth without any sharing/ oversubscription.
- b. The Service provider shall furnish a schematic diagram of the network.
- c. The last mile connectivity to the location shall be fiber and fiber connectivity shall be terminated at all locations of BEML LTD.
- d. **The service provider should have the capability to upgrade the bandwidth to at least twice the above requirement within one week at any time during the contract period.** Payment will be on Pro rata basis (on PO price).
- e. The service provider shall include all necessary equipment (Modem/ CPE) and Accessories for providing the last mile connectivity.
- f. The preferred last mile Interface will be Ethernet.
- g. BEML LTD will provide the necessary routers for terminating the connectivity at the location.
- h. The service provider is responsible for end-to-end connectivity.
- i. The service provider should have their own Last Mile.
- j. Service provider should be single point of contact for the entire connectivity, last mile and modems/CPE and other accessories. Any third-party involvement in this will not be entertained.

- k. The service provider should maintain redundant link with another alternate route. The service provider should own nation-wide high redundancy MPLS based network backbone. The backbone should be highly redundant, ensuring that there is no single point of failure.**
- l.** A separate VPN is to be created only for BEML network and in no way the VPN should be shared with other customers sharing the MPLS backbone. All routing at MPLS Backbone should be on Labels and no IP routing is acceptable. BEML MPLS Network must be accessible to BEML's authorized nodes only.
- m.** The end to end latency between any locations within India should be less than 100ms.
- n.** The end-to-end packet loss should be less than 1% at any point of time. The Measurement of packet loss should be done with a sample of 1000 packets of 1KB size.
- o.** The end-to-end link (including last mile) availability should be better than 99.5% calculated on monthly basis.
- p.** The downtime within an SLA measured Period shall not be less than 1% or equivalent.
- q.** BEML LTD reserves to cancel the contract without prior notice, for noncompliance of service level requirements in total.
- r.** BEML LTD team will be monitoring the implementation of Project and on Commissioning, the Service Provider should configure the existing equipments for Connectivity.
- s.** The service providers should work with our system Integrators for configuration of the network equipment during the implementation and the post implementation stages to enable seamless connectivity and operation.
- t.** The service providers shall provide separate cable connectivity from separate POP's for each MPLS and Internet leased line and which will be audited if required.
- u.** Self care portal to be provided by the service provider for raising tickets for any issue, monitoring Bandwidth / latency , SLA, invoices Etc
- v.** QoS service for video and audio should be enabled in network
- w.** Time and quality of the service are the essence of this agreement/contract. Failure to adhere to the same will be considered as breach of the terms and conditions of the contract.
- x.** Bidders should support IPV4 & IPV6 addressing scheme.

10 PROGRESS REPORT

The supplier shall regularly inform the progress of work and in such form as may be called for by the Purchaser from time to time. The submission and acceptance of such reports shall not prejudice the rights of the Purchaser in any manner.

11 CONTRACT VARIATIONS: INCREASE OR DECREASE IN THE SCOPE OF SUPPLY:

Purchaser may vary the contracted scope. If the supplier is of the opinion that the variation in scope has an effect on the agreed price or delivery period, purchaser shall be informed of this immediately in writing along with technical details, and in the event of additional work, submit a quotation with regards to the price and delivery period and the effect this scope will have on the other contracts under execution by the supplier. The supplier shall not perform additional work/ altered scope of work without the written instructions/amendment to the Purchase Order to that effect. The Purchaser also reserves its rights to decrease the scope of supply placed against Purchase Orders under due intimation to the supplier. Such decrease may be warranted due to defective goods or Policy Decisions of the Management of the Purchaser. And in such an event, the Supplier shall not have any claims or right against the Purchaser.

12 NON-WAIVER OF DEFAULTS

If any individual provision of the Contract is invalid the other provisions shall not be affected. The failure of BEML to insist upon performance of the Contract, to enforce any of the terms and conditions of this Contract or to exercise any right or privilege granted to BEML under this Contract or under law, shall not be construed as a waiver and the same shall continue in full force and effect.

13 ASSIGNMENT OF RIGHTS AND OBLIGATIONS: SUBCONTRACTING:

The supplier is not permitted to subcontract the delivery or any part thereof to third parties or to assign the rights and obligations resulting from this agreement in whole or in part to third parties without prior written permission from Purchaser. Any permission or approval given by the Purchaser shall, however, not absolve the supplier of the responsibility of his obligations under the contract.

ANNEXURE - F

Special Conditions arising out of implementation of GST (Which is to be signed and submitted along with the offer)

Tax Indemnity clause

1. The supplier of Goods / Services shall comply with all the procedural requirements and relevant provisions under GST Law so as to enable BEML Limited (BEML) to avail Input Tax Credit (ITC) in a timely manner. BEML has the right to recover tax loss along with consequential interest and penalty suffered by BEML due to any non-compliance of tax laws by the supplier. Any GST liability arising on the supplier on account of loss of GST credits for reasons such as failure of the supplier to provide the details for raising invoice with necessary particulars, delay in payment of consideration beyond stipulated time period and the interest thereon would be on the suppliers themselves and BEML shall not be liable to compensate the same.
2. The supplier shall ensure that the Taxes which have been collected / with-held on behalf of BEML have been duly paid / will be paid to the Government account within the due dates specified under various Tax Laws in India and Rules made there under. It may please be noted that if BEML is not able to avail any tax credit due to any short coming on the part of the supplier (which otherwise should have been available to BEML in the normal course), then the supplier at his own cost and effort will get the short coming rectified. If for any reason the same is not possible, then the supplier will make 'good' the loss suffered by BEML due to the tax credit it lost in that transaction.
3. Under the GST Law, any economic or tax benefit arising out of the implementation of GST is mandatory and required to be passed on to BEML by the supplier. Similarly, the benefits enjoyed by the supplier and other players in the supply chain are also required to be passed on to the supplier by them, which in turn shall be passed on to BEML by way of price reductions. The suppliers shall indemnify BEML against any direct or indirect loss arising out of not passing on the aforesaid benefits. As responsible suppliers of BEML, the responsibility to pass on the above benefits vests with the supplier and BEML reserve the right to seek the manner in which such benefits is passed on to BEML.
4. Any amount paid to the suppliers including job-workers / sub-contractors shall be first attributable to the GST Tax charged in the invoice and the balance shall be considered towards the 'value' of supply of goods / services.
5. Timely provision of invoices / Debit Note / Credit Note: The supplier has to timely provide invoice / Debit Note / Credit Note to enable BEML to claim tax benefit on or before stipulated time period as per GST Law. All necessary adjustment entries (Credit Note, Purchase Returns, Debit Notes) shall be made before September of the succeeding Financial Year.

BEML LIMITED

Phone : 080 22963179 / 22963315. FAX: 080 22963283.

6. HSN for goods shall be specifically included to avoid disagreement on classification at a later stage.
7. BEML shall identify the Place of supply to enable to avail the GST credit at right location.
8. Advance payment if any made before supply of goods/services or raising of invoices, would attract GST. In case of receipt of advance, the supplier undertakes to raise the necessary statutory document. Further the supplier declares to raise the prescribed documentation governing the movement of goods.
9. Any known discount shall form part of terms of the agreement to enable Supplier / BEML to claim tax adjustment.
10. THREE copies of the invoices are mandatory and need to be provided by the suppliers and **wherever the law requires, an Electronic Reference Number for each invoice should be provided.** Further, the invoices for supplies shall clearly bear the GSTIN No. / UID No. along with purchase order number and date accompanied by despatch advice and date of packing list.
11. Wherever applicable, BEML has the right to deduct "Tax deducted at source" at the rate prescribed under the GST law and remit the same to the Government of India.
12. Any local levies and or other charges levied by any Central / State / Local authorities wherever applicable shall be extra and supplier shall be liable to discharge the same.
13. The supplier shall be responsible to issue documents required for movement of goods and the logistic partner shall not be liable for any loss arising due to confiscation of goods by government agencies on account of lack of proper documents, deficiencies in documentation or any wrong declaration.
