8	For the experience certificate submission, kindly confirm if we can provide the copy of our contract with our key clients meeting the given criteria, instead of providing the work completion certificate. Generally, none of the customers provide any kind of work completion certificate to us. Only the contract copy and P.O will be shared with us.	No changes, as per NIT
9	Most importantly, as the MSDS is going to be shared from your end by tomorrow, we request your support to extend the deadline for submission by one more week. For DG shpts and also for special Equipments, shipping lines takes more time to work and share the rates, especially for longer validity. Kindly support.	No changes, need to submit the bid within the closing date and time
10	Commodity which will be imported as per container Type.	All commodities are engineering Equipments such as Converter Inverter, Traction Motor, Auxiliary Power Supply, GFRP Panels, PAPIS, CCTV, Door System etc required for Metro projects,
11	Gross Weight per container	Varies from 1.5 MT to 16 MT
12	Dimension of the cargo for OT, Out Gauge and Flat rack container.	Maximum weight and dimension that can be accommodated for OT, Out gauge & flat track can be considered to quote.
13	For EXW shipment please share complete pick up address.	Pin code of location as been indicated in the bid.
