

**Tender no: 6300033518**  
**Corrigendum-2**

This corrigendum is published for queries raised during pre-bid meeting held vide video conference on 27.08.2020 and BEML subsequent reply.

<b>SL NO</b>	<b>REFERENCE</b>	<b>EXISTING</b>	<b>CLARIFICATION SOUGHT From BEML</b>	<b>BEML Reply</b>
<b>1</b>	Annexure-1 Page No.1 & Para (b)	Assembly and testing is BEML scope but whereas for calibration of EATS, supplier should provide relevant training and support during engine calibration	Clarify whose scope of assembly of EATS system on Engine in BEML test bed & testing agency.	Engine Assembly and EATS assembly on Engine is BEML Scope with guidance of successful bidder support.
<b>2</b>	Annexure-1 Page No.4 & Para (a)	Firm must carry out final catalyst sizing and layout study (Finalization of after Treatment system components and its location) & its design for vehicle packaging. Also Firm can visit BEML for detailed study, if required.	Clarify how to design and to provide quotation, without any design detail.	Before submitting bid, Vehicle photos and GA drawing will be shared on request. However 3D model will be provided only to the successful Bidder.
